

OUR CULINARY ARTS PROGRAM

Range Center has been supporting interested individuals in several positions within our kitchen setting. Supported individuals work as bussers, dishwashers, kitchen assistants, salad bar attendants, and prep workers for The United Way's summer food program; Meet Up and Chow Down.

Individuals learn soft skills of having a job and also skills specific to their position. This includes basic food safe practices, food prep skills, portioning, etc.

We have now set out to expand our services in order to provide our community with quality catering service and continue to support our client's in building work readiness skills and valuable work experience.

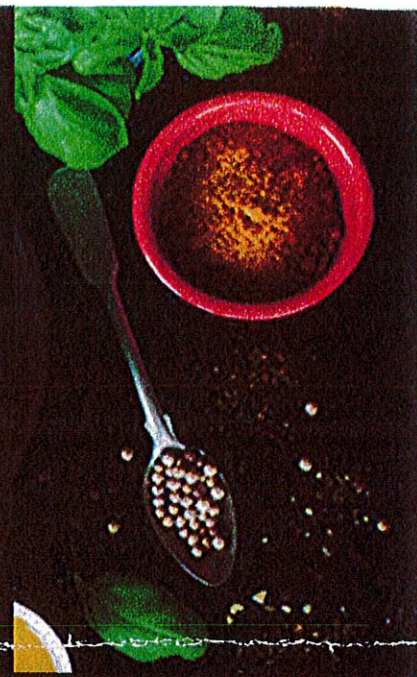

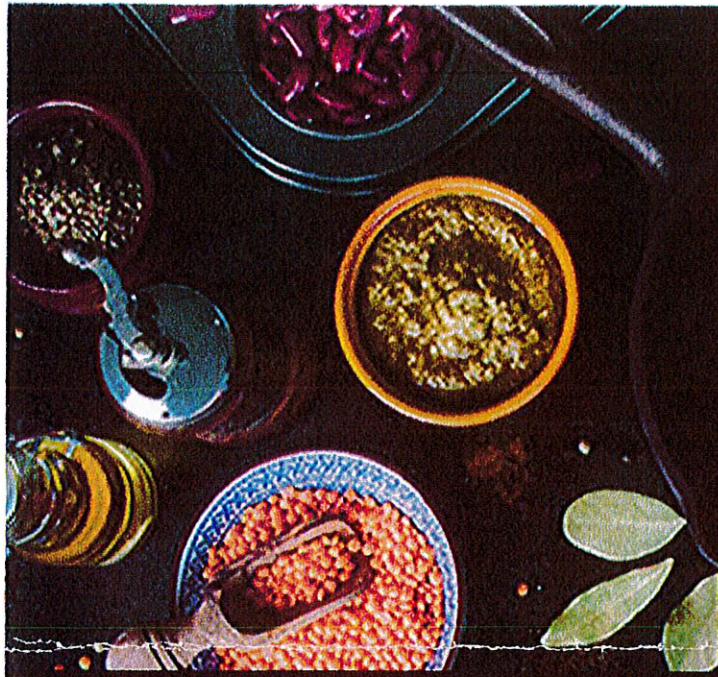

RCC CATERS ALL
EVENTS, BIG OR
SMALL!

RANGE CENTER CATERING

RANGE CENTER, INC.
1001 NW 8TH AVE.
CHISHOLM, MN 55719

RANGE CENTER CATERING

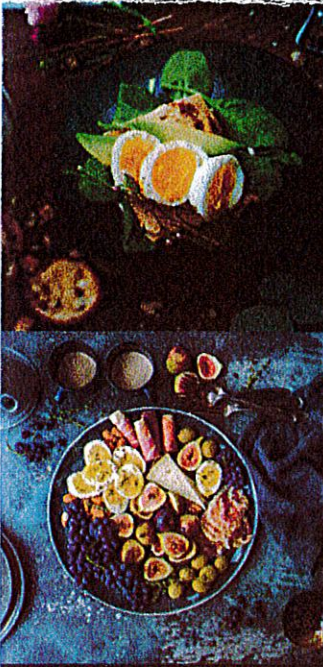

RCC started catering in June of 2019. We catered a graduation for 200 people. This involved the cooking, set up, serving and clean up.

RCC cooked for the Tommassoni Fundraising event for about 150 people.

We also did the cooking for one of our local churches Fall Harvest Dinner for 225 people.

We've done small events right at the Range Center for groups needing a meeting room and our catering service.

Breakfasts, brunches, lunches and Birthday parties are no problem.

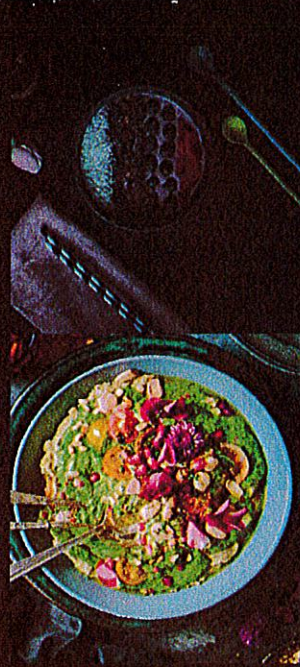

Let RCC do all the work while you enjoy your event. Call for consultation and pricing.
